Kansilad Beach Resort has just launched a new informative website which promises to entice people to visit this magnificent family friendly resort.

'We have just launched a new website for the resort, where people will get a feel for the resort and all it offers. The site includes descriptions about the facilities, rooms, food outlets, water sports and all the attractions of Kansilad Beach Resort,' said Mr. Robert Lala Jr., General Manager, Kansilad Beach Resort. 'People can also get general information about Lianga from the site,' he said.

Kansilad Beach Resort is also planning on launching an electronic newsletter which aims at keeping people informed about the activities and specials on offer at the Resort. Visitors to the website can subscribe to this newsletter online,' said Mr Lala.

Kansilad Resort is a family friendly beach resort where fun never ends', added Mr Lala.

Kansilad Beach Resort is the ideal starting point to the dive & snorkeling paradise and nature reserves of Lianga, Surigao del Sur.

The web site has an extensive description about treasures of nature in the area and a large picture library. As a novelty, high quality pictures can be downloaded by commercial users like tour operators and travel agents.
